

Maker in the Classroom: Upcycled Gardening Projects

Thursday, January 14th

4:00-5:30pm

Columbia Islamic School
1929 Gervais St., Columbia, SC

This workshop for teachers, parents, “makers,” and environmental educators will share garden-related ideas for repurposing and upcycling materials that would otherwise be discarded. Make-and-take soda bottle biomes, self-watering planters, bird feeders, seed starters, and more. Network with like-minded professionals and tour the environmental projects of the Columbia Islamic School.
